Fusion DynaGrand

Sample Library with Program Presets Bank for Alesis Fusion.

A fine sample library for the lover of Grand Pianos with 2 timbres that suits well for studio recordings and live on stage.

2 different instruments, each with 4 Velocity Switches: A Yamaha CF Grand Piano in JWolfe style, which is inspired by the sitcom *Will & Grace* main theme, and a C5 model in classical music style. Both carefully recorded, with long decay, sustain-looped and thanks to the 4 dynamics very expressive playable.

The sample library comes with 6 ready-to-use Program Presets. This includes a Controller programming for Control Knobs 1-4.

Controller Assignment for all Program Presets:

Knob 1: Filter Cutoff (= Tone Brilliance)
Knob 2: OSC 1 Start (= Attack Shift)
Knob 3: Balance (> right Channel move)
Knob 4: Reverb Intensity
