Fusion Stage Piano

Sample Library with Program Presets Bank for Alesis Fusion.

A fine sample library for the lover of Grand Pianos with a timbre that suits well for live on stage. 3 different instruments with 3 Velocity Switches: Steinway and Kawai acoustic Grand Pianos and a Yamaha CP80 Electric Grand Piano. Plus a forte Bösendorfer model. Carefully recorded, with long decay and thanks to the 3 dynamics very expressive playable.

The sample library comes with 10 ready-to-use Program Presets. This includes a Controller programming for Control Knobs 1-4, S1 and S2 Switches, Modulation Wheel and Pitch Bend Wheel.

Controller Assignment for all Program Presets:

Knob 1: Filter Cutoff (= Tone Brilliance)
Knob 2: OSC 1 Start (= Attack Shift)
Knob 3: Decay Time
Knob 4: Reverb Intensity
S1 Switch: Octave Shift +1 and Tone Shaping
S2 Switch: Octave Shift -1 and Tone Shaping
Modulation Wheel: Tremolo Effect
Pitch Bend Wheel: +12/-12 Semitones

Program Presets Soundbank

000 Stage Grand dyn 2
001 Stage Grand dyn 1
