Heliosphere

Sample Library and Presets Bank for NI Kontakt sampleplayer and compatibles.

This is the new flagship in the pad sound library category. Wide atmospherical scenes, plain pads, subtle modulations, moody lead lines.

This sound library for NI Kontakt provides over 100 different instrument multisamples and one-shot samples for over 200 Programs and 100 Multi Instruments (layers) with a total amount of over 3.5 GB.

Bank 1 Programs and Multis are mainly plain and straight sounds, Bank 2 are further shaped, i.e. with Filter, while both Bank 3 provide sounds with effects programming and huge Stacks (Multis).
