## Blofeld Soundware Catalog

New sample waveforms, one-shots and multisamples, for the incredible Waldorf Blofeld synthesizer. Carefully designed by skilled soundmaker Klaus P. Rausch especially for Blofeld purposes. Versatile, powerful, unique - a perfect expansion for every Blofeld user.

Available in 8 different sets:

- Wellenformen #1: one-shots, sustain-looped
- Wellenformen #2: multisamples, sustain-looped
- Attack: one-shots
- Kunstsprech: one-shots and sustain-looped
- Unterwelt: sustain-looped
- Maschinenzeug: sustain-looped
- Klavierzeug: one-shots and sustain-looped
- Klonk: one-shots

Small size waveforms for quick handling and program changes, no bothering loading time and senseless RAM occupation!

Easy-to-use: Just select a Blofeld Preset, replace the current sample waveform by one from the new content, then do the fine adjustments, save the result as new Preset - done!

# Wellenformen #1

*One Shot Samples, sustain-looped*

Over 150 new sample waveforms. Versatile, powerful, unique - a perfect expansion for every Blofeld user. Small size waveforms for quick handling and program changes, no bothering loading time and senseless RAM occupation!

# Attack Samples

*one-shot, no sustain-loop*

More than 250 attack samples, this is that element for your new Blofeld sound. The human ear identifies a sound already in the very first moment - the attack phase. For this purpose the new Attack Samples is the best resource for advanced musicians who are creating their own sounds.

## Maschinenzeug

*One Shot Samples, sustain-looped*

The sound of machines, motors, racing cars, trash can manufacturing - all those noisy and rhythmic technoid sonic sources perfectly designed for the use with Blofeld. Mix them with usual and unusual waveforms to create absolutely stunning and unique sounds no one else does. 35 extreme samples and a content of 55 MB.

# Klavierzeug

*One Shot Samples, some are sustain-looped*

Prepared Piano is an acclaimed avantgarde creation and turn a regular piano into a weird soundmachine. We did the weirdest and designed strange and dramatic sound scapes that now can be loaded into the Blofeld to make really otherworldly sounds. 40 one-shots and sustain-looped samples, 23 MB.

# Klonk

*One Shot Samples*

A collection of powerful drums and percussions - that's what turns the Blofeld into a groove machine, especially when using the Arpeggiator. But the samples are also very useful as attack portion for layer sounds. 250 instrument samples, 19 MB.
