NI Absynth Presets by kpr

Program Presets Bank for Native Instruments Absynth.

100 new Presets: Unusual sounds with lead synths, bass, pads, percussives, soundscapes and special sound effects. Mail data attachment product, optional download. The evolving sounds are very useful for all kinds of movie soundtrack, computer animation, ambient music.

Data handling

To load the Presets data to the Absynth: Unzip the attached data. Create a folder for the soundbank on your computer desktop with the names "kpr", drop the unzipped Program data into the folder and move it to the Absynth data folder. Use the PDF docs for Presets archive purposes and consult the Absynth owner´s manual for references concerning data handling.
